Mrs Effa Mauley July 17-1941

Dear Mrs Mauley.

I am planning to take your Club starting Aug 11th to Aug 22nd inclusive. The last game at Canton. This might seem a little far but you can make good time on new highway to Harrisburg. Due to the excessive rains the players must understand that we must play every game we can get and will have a few long trips. I must have your O.K. before I start on your booking. You can't afford to miss Canton as it is a good spot. I must have mats and writeups of your players if you expect to make some money. All clubs we have handled so far made money and had the desired publicity. Y. V. T.
